RE: STUDENTS REGISTRATION TO THE NATIONAL HEALTH INSURANCE FUND

The title above refers.

With effect from the Academic year 2009/2010 all students who are not members of the National Health Insurance Fund are required to register with the above mentioned fund for the purpose of securing medical services during their stay at the campus.

The registration with the National Health Insurance Fund shall replace the medical contribution cost which the students have been paying to the institute and shall be paid by the students during the registration process at the beginning of the academic year of the study.

The following are necessary conditions before joining The National Health Insurance Fund:

1. Every student shall pay Tshs. 50,400/= being student membership contribution fee
2. Two passport size photographs

Note: a. Membership to the National Health Insurance fund shall last for one academic year
b. Student member Health Insurance card shall be used by only one person (student) and not by dependants.
c. Student registration forms are available at the Dean of Students Office.
d. After filling registration forms all payments shall be made to the Institute accounts office.
