NATIONAL INSTITUTE OF TRANSPORT

ATO No: TCAA/ATO/0010

INVITATION TO APPLY FOR ADMISSION INTO FLIGHT OPERATIONS OFFICER COURSE

1. COURSE OBJECTIVE

The Flight Operations Officer Course is a professional course designed to equip candidates with sufficient and competitive knowledge, technical skills, and attitude necessary to undertake Airline operations and control. The course is a straight through ab-initio training conducted for candidates who have never attended flight operations training. Successful candidates will qualify for licensing by TCAA as Flight Operations Officer and be able to work for Airlines particularly in planning and monitoring flights, planning flight fuel, identifying feasible airports, establishing routes and alternate airports, balancing aircraft mass, acquiring and decoding weather information, flight crew scheduling, aircraft scheduling, and dispatching aircraft.

2. MINIMUM ENTRY REQUIREMENTS

An applicant shall be required to meet the following minimum entry requirements: -

- a) Holder of Certificate of Secondary Education Examination (CSEE) with four passes, including Mathematics and English Language and excluding religious subjects;
- b) Be able to read, speak, write and understand English language;
- c) Minimum age of 18 years.

3. MODES OF APPLICATION

Applicants can click [here](#) to apply directly to the Institute through an online application system or fill in and submit the application form attached with the following documents:

- a) Academic certificate(s);
- b) Birth certificate; and
- c) One coloured passport-size photo (blue background).

4. FEE AND COURSE DURATION

The duration of the course is four (4) months. Fee is TZS. 2,850,000/= for Tanzanians and 1,200 USD for foreigners.
